

Template A2

Size: 420 x 594 mm

You can use this template to create a final PDF.

Format

Finished size: 420 x 594 mm

It is advised to leave a margin of 10 mm around the edges.

This ensures that the text is not cut off when the template is printed.

For more information, please refer to the user manual.

Finish

Your printout will be in color and will be of high quality.

For more information, please refer to the user manual.

Safe zone

Please ensure that the text is within the safe zone to avoid being cut off.

For more information, please refer to the user manual.
